Game Overview

The Lands Between is the place where we, the dead descend. It is a land in which we strive to restore our lost dignity. On the side of the Elden, we are the Knights of Tarnished Souls. The warrior whose life was lost yet whose body was not, fights alongside the Goddess, and pursues this crusade for justice. Goddess of the Great Oath, we who lost the battle with the living to become undead, are the servants of a curse whose thread is broken. For eternity we fell, and in Tarnished Souls, we have returned to the world. Chasing our fallen dreams, we venture to seek redemption. But in this lonesome world that is lacking in people, the meaning of life is despair.

Gameplay

Play as a Knight whose life was lost but whose body is still living. Will you strive to return to life? Enter the Lands Between, in the company of the Goddess to seek the lost peace of the living. After restoring Tarnished Souls and gaining the Mother's aid, take the offensive with the might of another life on your side! Battle countless foes, and strike down from above under the shadow of the Goddess's wings! Too long we have stayed in the company of the Gods, and forgotten the world. Humans, Elves, Dwarves, and Giants are not eternal, and have to face this end. All that is left is to prepare for our new life. After many battles and bonding with other Knights, you may request to obtain some of the power of the dead by completing quests.

Story

In the Lands Between lies the whereabouts of the lost peace of the living. But we who were once a living people know the true answer. A world that died was reborn in the name of the Goddess.
